- R Programming (Basic)
- Data Classification & Analysis
- Waste Weight Data Management

Office & Soft Skills

- Microsoft Word & PowerPoint
- Analytical Thinking
- Time Management
- Accuracy & Attention to Detail
- Team Coordination

Professional Experience

Computer Operator, Jigar Transport Corporation (AMC)

07/2023 – Present | Vasna Refuse Transfer Station, Ahmedabad

- Weighed incoming AMC waste-collection vehicles on the weigh bridge and recorded gross, tare, and net weights accurately for each load.
- Classified each vehicle's waste load as dry or wet based on established AMC guidelines and ensured correct categorisation before data entry.
- Entered vehicle-wise weight data into the system in real time, maintaining a running daily total of dry waste, wet waste, and combined tonnage.
- Prepared and submitted End-of-Day (EOD) reports detailing total vehicle count, total weight processed, and dry/wet waste breakdown to the Operations Supervisor.
- Maintained and updated digital and physical records of all weighing transactions, ensuring data accuracy and easy retrieval for audits or management review.
- Coordinated with vehicle drivers and site supervisors to ensure smooth flow of vehicles through the weighing station, minimising delays and operational bottlenecks.

Education

Bachelor of Commerce — Accountancy & Business Analytics

2023 – 2026 | Ahmedabad

New LJ Commerce College, Lok Jagruti Kendra University

Higher Secondary Certificate (HSC) — 12th, Adarsh Hindi Vidhyalay

2023 | Ahmedabad

Grade: 65%

Secondary School Certificate (SSC) — 10th, Adarsh Hindi Vidhyalay

2021 | Ahmedabad

Grade: 60%

ACHIEVEMENTS & HIGHLIGHTS

- 2+ years of consistent on-site experience handling AMC vehicle weight data at Vasna Refuse Transfer Station.
- Maintained near-zero data entry errors across daily weighing operations, supporting reliable waste management reporting.
- Achieved master-level proficiency in Tally Prime alongside academic coursework in accountancy and business analytics.
- Proficient in multiple analytics platforms (Power BI, Jamovi, PSPP, Tora) — a rare combination for a B.Com student.
